

News Gathered From Southside..

Manchester Bureau, Times-Dispatch,
Late yesterday afternoon after three days of continuous investigation into the affairs of the City Water Department, the grand jury was adjourned over, to reassemble Saturday morning, when some definite action is predicted.

The unexpected protraction of the investigation of the grand jury is beginning to be considered as ominously significant. Fears are entertained that important disclosures have attended the searching inquiry into the records of the department, and various conjectures prevail as to the ultimate outcome of the proceedings.

In the state of general and more or less acute anxiety manifested in all circles, principal attention is directed to the former head of the department, Superintendent Sharpe, and to the present acting superintendent, Mr. Morton, and it is to the notable credit of both of these gentlemen that their friends remain constant in the firm conviction of their unequivocal and unimpeachable integrity, in the face of half-hidden surmises and uncharitable conjecture brought about by the continued sitings of the grand jury.

Brothers sue for \$5,000.
The joint suit of Walter J. and Thomas M. Hickie against the Virginia Passengers and Power Company, for \$5,000 damages for injuries alleged to have been received by the plaintiffs from a Hull Street electric car, was begun in the Corporation Court yesterday and continued through the entire day without going to the jury.

One of the parties to the proceedings sued for \$2,000, while the other seeks damages to the extent of \$3,000. The case will probably be concluded to-day.

Threatened Thornton's Life.
Dutch Hanley, a man of family and some prominence here, was placed un-

der arrest by Chief of Police Lipacomb yesterday afternoon on the charge of threatening the life of Mr. Moses Thornton. The arrest was made on a warrant sworn out by Mrs. Thornton, who arrived at the Police Station in a great state of alarm, saying that Mr. Hanley had just left her home where he had been in search of her husband, and where he had threatened to kill her husband on sight.

The difficulty appears to have had its origin over certain remarks alleged to have been made by Mr. Thornton, which were resented.

Hanley was bailed by E. Shields in the sum of \$250 to appear before the Police Court this morning at 9 o'clock.

A Singular Visitation.
The regular monthly meeting of the Bryan-Kern Club of Swansboro was held at Cersley's Hall last night at 8 o'clock. There was a gratifying attendance. Bryan buttons were distributed to the members.

The cantata, "Jephthah and His Daughter," given recently in Cowardin Avenue Methodist Church, will be repeated October 1st for the benefit of those who were unable to attend the former entertainment.

Mr. O. B. Elder, of this city, left Monday for Montreal, Canada, where he has accepted a position with the Imperial Tobacco Company.

The baseball team of Cowardin Avenue Christian Sunday school will play the team of St. Andrew's Sunday school, of Richmond, on Saturday afternoon on St. Andrew's diamond.

Officer Watts, of Chesterfield, has in his possession a gold watch and fob which he found several days ago. The watch has initials on the back. The owner can have possession by calling on Mr. Watts, in Oak Grove, and identifying the property.

Mrs. Horace Brown and sister, Miss Annie Robertson, of Crewe, Va., are visiting their aunt, Mrs. Junius Williams, on McDonough Street.

His wife, he said, entered his cham-

ber as he lay alone. She approached and sat on the side of the bed. He not only recognized her, but conversed with her for a considerable while, after which she vanished.

Mr. Moles, who was fifty-five years old, died of pneumonia, having been ill for nine days. He was a member of Davis Council, Junior Order United American Mechanics, and a man well-known and widely respected. He will be buried this afternoon from the West End Church at 4 o'clock.

He is survived by one brother, Joseph, and by two adopted children, Ell H. Henderson and Hazel May Moles.

His wife, he said, entered his cham-

vates of the force, although it is rumored, and it is believed, with good grounds behind it, that the members of the force who were active in politics and partisans against the present administration will go. It is said that there are a dozen of these, although notice was given patrollers and officers of the department must not enter actively into politics.

Mr. Kizer announces further that he will make his administration one of strict conformity to the State and city laws, and that all violations of the Byrd law, gambling laws, etc., will be prevented as far as is in his power.
